Message from our REC

Dear Parents, Guardians and friends,

As you may be aware Mr Kapitanow's mother, Mary Kapitanow's passed away peacefully on Sunday the 29th of July. On Monday, some members of the staff were able to attend her funeral to celebrate the life she shared with so many.

On behalf of Mr Kapitanow's family and the school faith community, we would like to extend our gratitude for keeping the Kapitanow's in your prayers and thoughts.

We reflect and be assured that Mary's soul is resting with our Heavenly Father in heaven. Let us take some time to reflect on the Gospel of John: (3:1-2), See what love the Father has bestowed on us that we may be called the children of God. Yet so we are.

The reason the world does not know us is that it did not know him. Beloved, we are God's children now; what we shall be has not yet been revealed. We do know that when it is revealed we shall be like him, for we shall see him as he is.

May the Lord bestow His love and healing hands.

With Blessings,

Mrs Mabellynn Buenaventura
(Religious Education Coordinator).

Michele Rowland Visit

On Thursday 2nd August the Federal Member of Greenway, Michelle Rowland, visited Stage Three to help us with our PBL unit of Government. She told us about links between the three levels of government, the Australian Constitution, her career, and her experiences in the Local and Federal governments. We are very grateful that Michelle was able to visit St Bernadette's during Parliament's recess time and share her time with us.

Stage 3 Canberra Excursion

Students from our school will soon be undertaking an education tour of the national capital. Students will be given the opportunity to participate in a variety of educational programs with a focus on Australia's history, culture, heritage and democracy.

The Australian Government recognises the importance of all young Australians being able to visit the national capital as part of their Civics and Citizenship education. To assist families in meeting the cost of the excursion the Australian Government is contributing funding of \$20 per student under the Parliament and Civics Education Rebate program towards those costs. The rebate is paid directly to the school upon completion of the excursion.
